

How to Reach HKU Graduate House by Walking from Hotel Jen Hong Kong (or HKU Station)

From Hotel Jen Hong Kong (symposium recommended hotel) or HKU Station (a MTR station) to HKU Graduate House is a comfortable and short (less than several minutes) walk....

Direction starting from Hotel Jen Hong Kong (If you start from "HKU Station" (plan to come via MTR), please start from Step 3*)

Step 1: After going out from Hotel Jen Hong Kong, turn right (seeing McDonald) and walk for about 15 m. You will see the "HKU Station" B2 Exit on your right.

Step 2: Walk into the B2 Exit. Follow the direction of going to the Trains Platform (but DO NOT going INTO the platform). Look for the sign of Exit A.

Step 3*: When you find the sign of Exit A "The University of Hong Kong", go under it and on your right side you will see the wall photos of HKU for her more than 100 years of history. Please enjoy them!

Step 4: Go all the way to the end and you will find Exit A2 "The University of Hong Kong". You will then take the lift (elevator) to leave the HKU Station from Exit A2.

Step 5: Once you go out of the lift, you will see "Haking Wong Building". Please go through and follow the walk path on your left side.

Step 6: When you reach the end (T-shape) of the walk path, turn to the right and keep walking for about 15 m.

Step 7: You will then see the sign of "GRADUATE HOUSE" on the building that we will hold our symposium. Walk up to that direction through the ramp and stairs to reach Graduate House.
